- Standard aluminum frame colors are black and silver
- UL Listed

**THE PLATINUM LED PANEL IS AVAILABLE  
IN YOUR CUSTOM SIZE & COLOR**

15 business day lead time for standard sizes & colors  
20 business day lead time for custom sizes & colors

### FEATURES

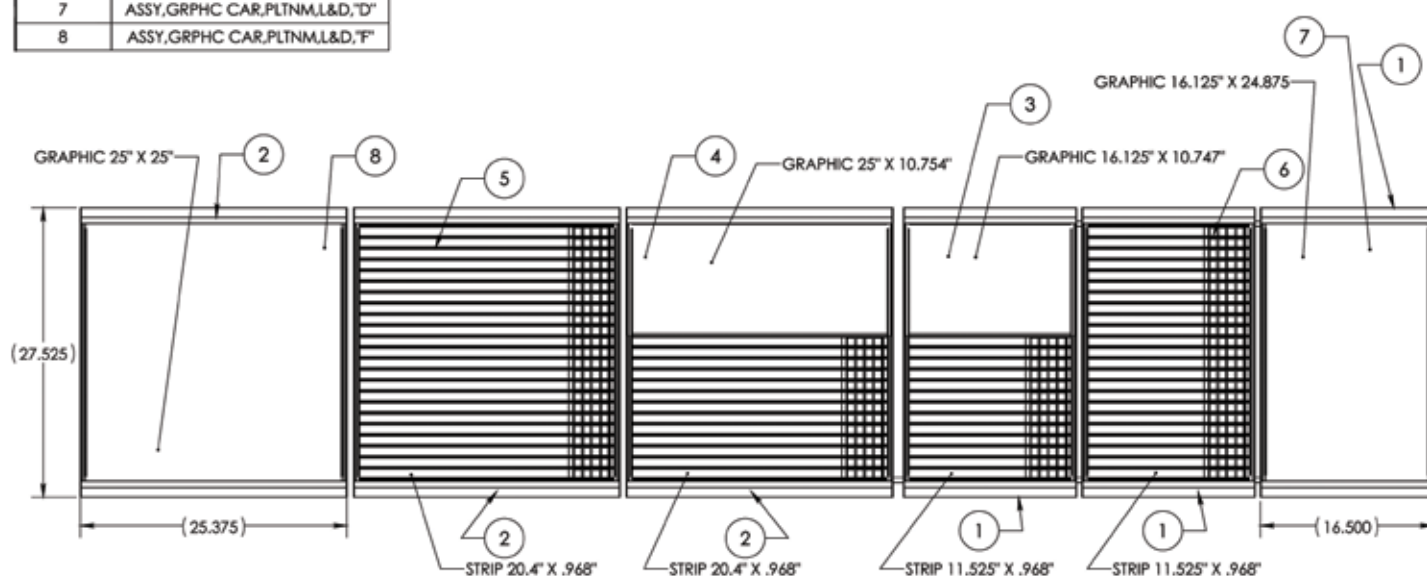

- Super-thin light panels extend less than 2" from the wall when flush mounted
- Contemporary styling with minimal bezel surround, focuses the eye on brilliantly lit graphics
- Long-lasting LED lights are color balanced for vivid graphic presentation
- Energy efficient/Green Lighting - no ballasts to fail
- "Daisy Chain" electrical connections between light boxes require only one electrical outlet
- Flex Covers allow easy full graphic transparency changes
- Versatile Lift & Drop panels with all strips and price carrier option, or strips/carriers and graphic option
- Lightweight sections make installation a breeze, and reduces shipping expenses
- Flush wall mount included; optional ceiling hang or angle wall mount available
