# DRIVE-THRU CANOPY

## OVERVIEW

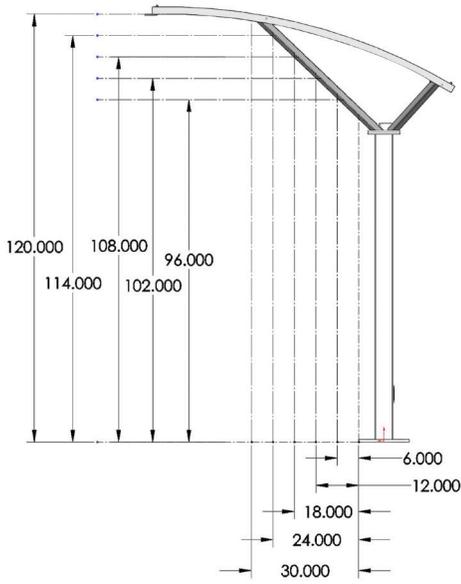

- Don't miss out on drive-thru sales due to the weather!
- The outdoor, stand alone canopy provides protection from the elements; rain, snow, sun, wind

## FEATURES

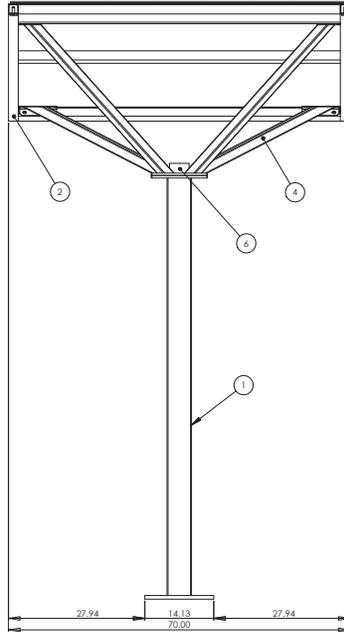

- All metal parts are made of high-grade, zinc-rich primed, powder-coated steel
- Roof is made of ultra durable, fade resistant, maintenance-free vinyl
- Wind load rated for up to 110 mph
- Two year limited warranty
- Standard color choice for metal parts; red, silver, brown, black, white, tan, blue, textured black. Custom colors available.
- Optional features include pole mount speaker and microphone kit, three lamp light fixture, below ground foundation kit, and rotating "swing away" roof design
