

THE HOWARD COMPANY, founded in 1950, is an employee-owned point-of-purchase display manufacturer located in Brookfield, Wisconsin. We specialize in menu boards and food service products, as well as permanent and semi-permanent retail merchandising displays.

DRIVE-THRU FLEX

BRAND BOOSTER TOPPER or BRAND BOOSTER SIDE WING

OVERVIEW

Having difficulty displaying featured items or limited time offerings due to space constraints with your menu board?

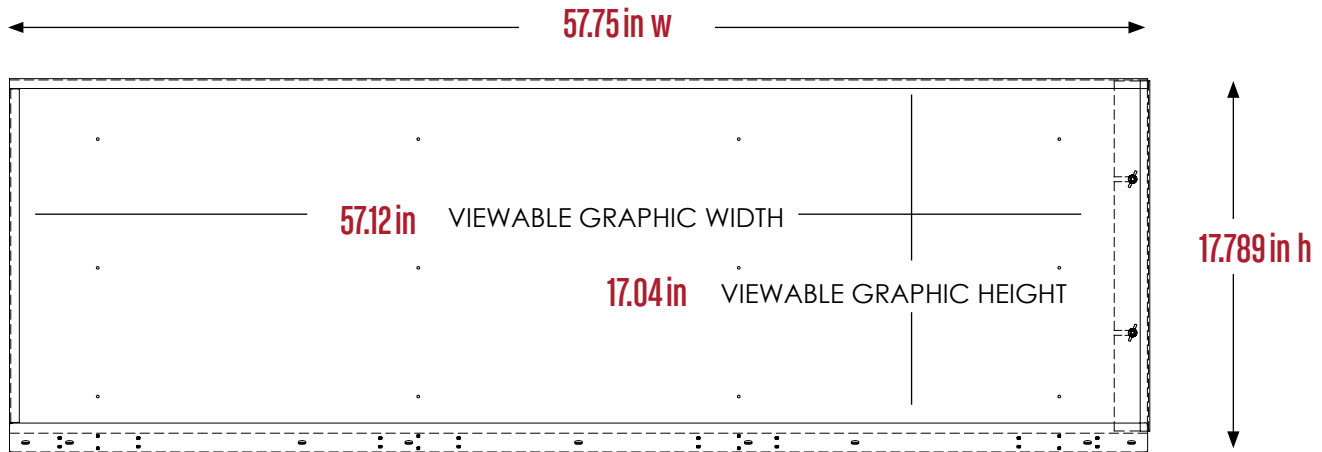

Don't miss out on drive-thru sales - we have an affordable solution for you!

Our Non-Illuminated Drive-Thru Topper Brand Booster or Brand Booster Side Wing is the answer to 'boost' your sales in providing additional exposure of your Brand, Specials and LTO's.

Each comes separately so you can choose which Brand Booster works best for your message. Or get both to display multiple designs.

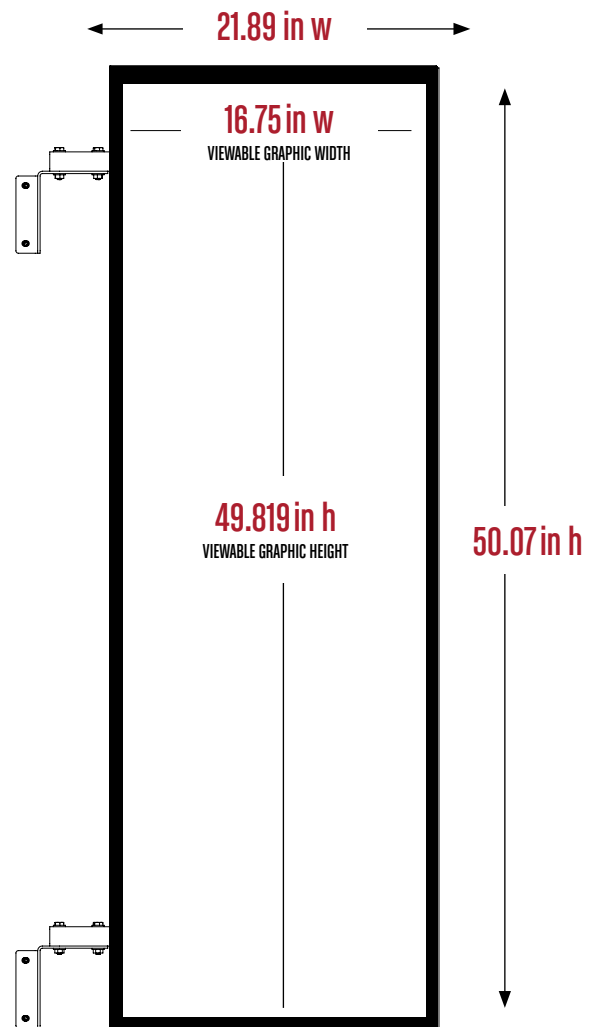

FEATURES

- The non-illuminated topper hardware is powder coated metal
- Optional Topper Brand Booster poly graphic cover
- The non-illuminated side wing hardware is powder coated metal with an adjustable mounting bracket to control angle
- Optional Side Wing Brand Booster poly graphic cover
- Lead time: 10 business days
