DIRECTIONAL SIGN

OVERVIEW

Our Howard illuminated directional signs offer an opportunity to further brand your store while aiding customer traffic flow through your parking lot. Use our standard directional messages or customize the sign face to include your branding and message, and color-coordinate the can and post to match your drive-thru menu board.

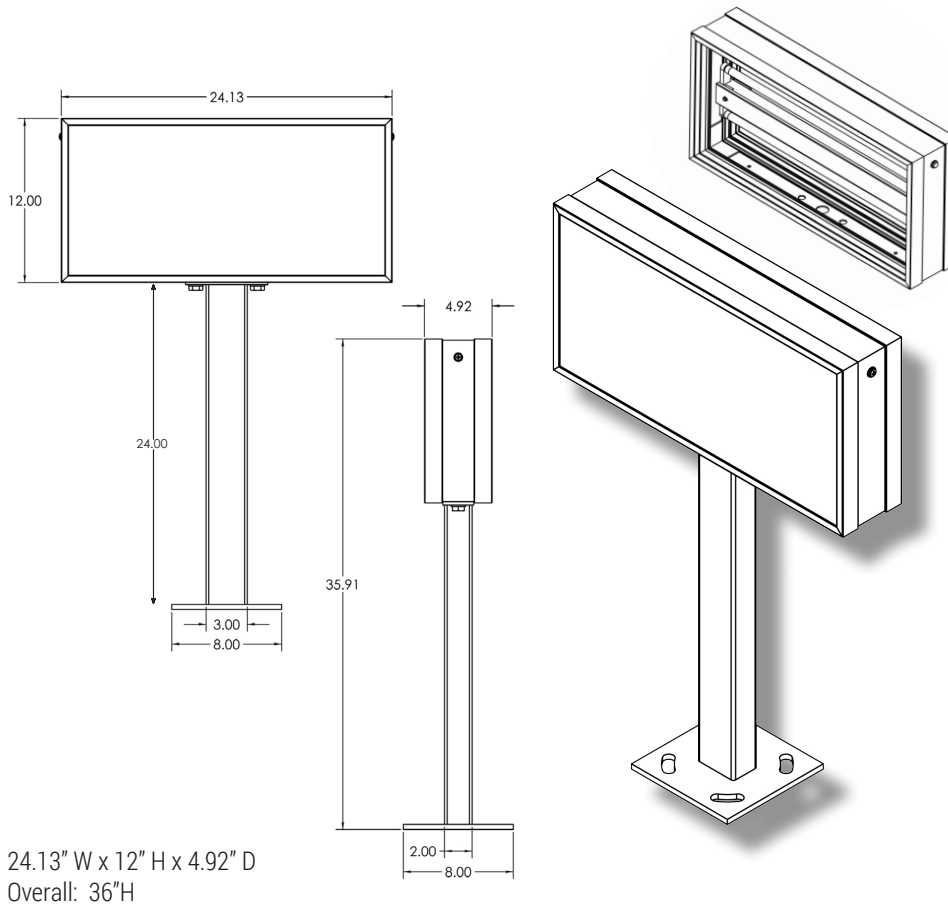

FEATURES

- Energy efficient T-5 lamps with bright, even illumination
- Custom graphic inserts available with branding identification
- Standard height of 36 inches (top of unit to grade)
Optional heights available
3 x 2 pole, 14 gauge steel
- Direct burial option available
- All units come J-Box ready (not included)
- Lead time: 10 working days for standard colors and sign faces
- Ships via truck or UPS
